Established Company Clients

Silicon Legal Strategy is the premier boutique law firm providing targeted, bottom-line-oriented advice to technology startups, innovative entrepreneurs, and seasoned investors. Our clients view us as their trusted general counsel, operating as the first line of strategic legal defense and assisting them with a wide variety of matters, from venture financings and corporate governance, to employment agreements, commercial contracts and real estate leases, to mergers and acquisitions.

[PitchBook's 2025 Global League Tables](#) rank Silicon Legal as the **#9** most active law firm in later stage VC deals, and **#9** in global VC exits.

Full Lifecycle Company Representation

Silicon Legal client teams draw on their experience and passion for the myriad tasks that drive revenue and industry presence long after their client's latest financing round has closed.

Silicon Legal's business experience includes:

Buy-Side M&A	Commercial Agreements	Nondisclosure Agreements	GDPR, CPRA, and PIPEDA
Employment & People	Corporate Governance	Strategic Acquisitions	HIPAA
Trademark and Intellectual Property	Patents	Foreign Subsidiaries	COPPA

THANK YOU for being so on the ball here. I've come to rely so heavily on having such strong, fast and creative legal help. SLS has really been a secret weapon in our takeover of the world. Thank you!

Venture Capital & Angel Financings

What startup clients are saying about working with Silicon Legal to negotiate, structure and close their financing:

We feel incredibly lucky to have such a down-to-earth, fun, and fast-to-close firm on our side. You truly feel like our partner-in-fundraising-crime when we need to turn things around FAST - and you do it all with a smile and some words of support.

—Tracy Lawrence, CEO, Chewse

You were amazing at rallying all the troops and ensuring the round closed in a timely manner, while protecting the best interests of the company. And thank you for all your support behind the scenes as well! I can now get on my red-eye peacefully tonight, and enjoy the weekend. Looking forward to scaling up RedLock with your support!

—Varun Badhwar, CEO, RedLock

So lucky to have Silicon Legal with us the whole way. You are an absolute pleasure to work with. You guys de-complicate matters and make forward progress with every motion. It's remarkable. Thank you again.

—Dan Teree, Co-Founder, Ticketfly

About Us

Silicon Legal Strategy is the premier boutique law firm providing targeted, bottom-line-oriented advice to technology startups, innovative entrepreneurs and seasoned investors. Trained at the top firms in Silicon Valley, our attorneys and staff are incredibly passionate about technology and have extensive experience representing early stage companies and investors. We are a known quantity in Silicon Valley and beyond, and work with or sit across the table from every major technology law firm in the country. Perhaps most importantly, we ourselves are entrepreneurs. We truly understand the challenges of a startup – like building and motivating a team, creating repeatable processes to ensure continued customer satisfaction at scale and dealing with infrastructure issues. We face these challenges every day – and as a result, are able to deliver more relevant, bottom-line-oriented advice. Put simply, we actually “get” what entrepreneurs are going through.
